

Dear fellow Aztec:

Is the Aztec Warrior important to you? Do you want to keep San Diego State's Warrior symbol alive? If so, you can help restore and preserve the legacy of the Aztec Warrior by generously donating to the Aztec Warrior Foundation.

The recently formed Aztec Warrior Foundation is a nonprofit public benefit charity made up of independent alumni, students and supporters of SDSU athletics and educational activities. Your 100% tax-deductible donation will keep the Aztec Warrior alive and provide scholarships and support for students of San Diego State University.

MISSION STATEMENT

The common belief in our goals, sense of history, and symbolism, unite us with past civilizations along with University alumni, boosters, friends and fans for the sake of community enrichment, culture, and to preserve the unique character of the Aztecs for all to enjoy with pride and dignity. We strive to extend our University throughout the community by participating in educational activities, public appearances, and fundraising for selected community charities.

Yes!!! I will donate to help continue the legacy of the Aztec Warrior. My tax-deductible donation will enable the Foundation to preserve the unique energy and spirit of our Aztec Warrior and help promote the continued presence of the "Aztec Spirit" at San Diego State University and in our community.
